

Talent Alliance, Inc. Launches SecurityJobZone.com™

Austin, TX – July 20, 2009 – Talent Alliance, Inc. (Pinksheets OTC TLAN.PK) announced today the launch of their second niche job board in the past month, SecurityJobZone.com. The career center is focused on security officer jobs, homeland defense positions, and other related security industry opportunities. SecurityJobZone (www.securityjobzone.com) features the same easy to use interface as its counterpart, MilitaryJobZone.

“This is an exciting vertical that we are pleased to bring to market, at the right time. The security industry has continued to see job growth with the advent of government funds and the market has been in need of a focused career center to source talent,” said Brian Davis, CEO of Talent Alliance, Inc. “Our price points for advertising and job posting packages make our niche job boards an attractive alternative to the overpriced, stagnant big boards that are all struggling financially.”

The launch of SecurityJobZone comes on the heels of the widely successful launch of MilitaryJobZone (www.militaryjobzone.com), which has eclipsed over 10,000 unique visitors in just its first month of full operations on its revamped platform.
